

SUMMER FUN! 2011

Dear Parents,

The Windmill Creek Academy Summer Fun 2011 activity schedule runs from June 6th through August 19th. Every week has a special theme that is explored in activities such as Art, Drama, Fun & Games, Stories, and Singing. One day a week is "Party" or "Performance Day!"

The Summer Fun schedule promises to be a time for FUN! Parades, relays, "Water Day," and treasure hunts make the summer a different, relaxing experience.

Our Summer Fun schedule provides a more intimate, park-like setting with a low student to teacher ratio. As always, we provide afternoon snack and we are open Monday through Friday between 7:00 a.m. - 6:00 p.m. A Hot Lunch can be provided for an additional \$60 per month.

Looking forward to a fun-filled and relaxing summer!
